

Hi Susan,

I hope you are having a great day. Thanks for inviting me to your birthday. I'm very excited to meet you.

I write you this email to let you know that unfortunately I can't go to your birthday party

As you know, last week I started working as a waiter and I must go to work if I don't want to lose my job.

How about postpone the date of your birthday party one week? Next week I could go because that week I don't work.

If your decision is not to move that date, I hope you enjoy your birthday with all your friends and what you love. I can't wait to see you and celebrate it another day.

Well, I have to go now, but please let me know what you think and your final decision.

Take care,

Jesus
